## Rosary Collection Displayed Victory CDA To See Hat Show, Antiques

"Hats Parfait" will be the "refreshment" surprise at the Catholic Daughters, Court of Our Lady of Victory, Lenten social this evening at 8 p.m. at the KC hall, 214 Ave. I, Redondo. Mmes. Fred Gervig and Stacy Rodman, hospital-ity co-chairmen, have planned the hat parade to top off the evening in place of the usual refreshments.

Mrs. Richard Wurm, Jr., grand regent, has announced that the social will begin with John Cunningham showing his antique collection of "Jewels of the Madonna," including 1,000 rosaries he has

collected during his world travels. The collection includes rosaries from Florentine palaces, castles of old Castile, a humble home in Ireland, from the early missionaries among the Indians, and one dating back to the time of Marco Polo.

The hat parade will show "hats of distinction" from a South Bay Center hat shop. Mrs. Vera Lockyer will select hats for members to wear. Modeling will be done by Mrs. William Taylor, D. Gaitan, Norman Dupont, Merle Nave, Willard Phippen, Noel Rimer, Raymond Slick, Edgar Perry, Kenneth Clark, Raymond Russell, and Margaret Breidenbach.

At the end of the show the hats will be offered for sale. A hat will also be given as a door prize.

## Bringing Up Baby.

HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 8

Certainly babies should have some leeway in setting their own patterns in the matter of feeding and sleeping the first few months. But as baby grows toward a more settled routine, he should be gently steered toward a reasonable schedule. The baby who is guided toward good habits early, is less likely to rebel at more exacting regulations later.

High on the happy list of favorites for the little fellow on a full food schedule are combination dishes. (More ingredients, more flavor.) Gerber High Meat Dishes are bound to win any mealtime popularity contest. That's because these flavorful casseroles are savory with extra meat. (3 times as much as regular vegetable and meat combinations.) Garden-good vegetables and subtle seasoning are added to the meat for truly sprightly flavor. Nutritionally, they're a good source of protein, offer significant amounts of vitamin and minerals. Strained or Juicer varieties.

Toy trickery. If baby gets take-apart, put-together toys before he's manually ready to use them, let him play with the individual parts, provided they're not small enough to swallow.

Carriage cues. (1) A bright balloon or pinwheel, attached to the front of baby's carriage, will provide many happy looking moments. (2) A transistor radio, tuned sweet and low, will delight baby when he's awake . . . won't disturb him when he's asleep.

Mouth-watering memo. Fruits score high as baby favorites. Especially Gerber Strained and Junior Fruits. And for good reason. Gerber Fruits are cooked in a flash to preserve Mother Nature's appealing colors and sun-kissed flavors . . . and to protect precious vitamin values. Served "as is," they're scrumptious. When used as a topping for Gerber Cereals or Puddings they're super. Gerber Baby Foods, Fremont, Michigan.
